

FTP - File Transfer Protocol
Uploading files to the Craftsman ftp server

Enter the following information into your ftp client - copy/paste recommended

Host: ftp.artfiles.craftsmanlabel.com
User: artfiles.artfiles.craftsmanlabel.com
Password: 4rtf1les

If you don't already have an ftp client you can download one for free.
FileZilla is a reputable provider for Windows, Mac and Linux.
<http://filezilla-project.org/download.php?type=client>

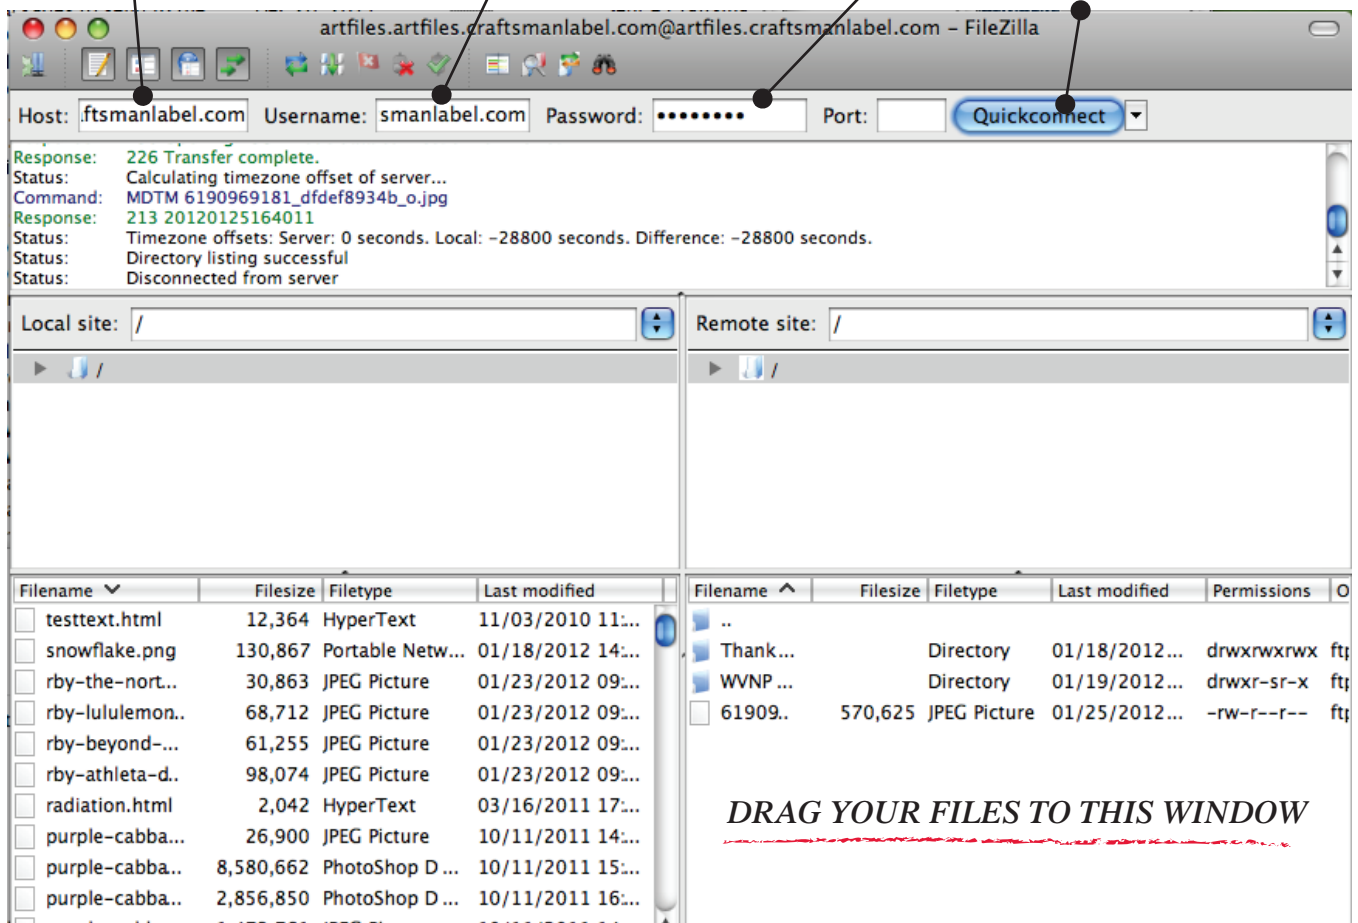

After downloading the Mac version, place the unzipped application into the Application Folder
While downloading the Windows version (setup version recommended), choose a folder such as My Documents or your preference
For more information see the FileZilla Documentation: <http://wiki.filezilla-project.org/Documentation>
